DEPARTMENT OF AGRICULTURE

COMMONWEALTH OF PENNSYLVANIA

DEPARTMENT OF AGRICULTURE | GEORGE D. GREIG, SECRETARY

August 2011

Dear Friends of Agriculture:

Welcome to the Pennsylvania Department of Agriculture's 2011 Performance Tested Ram Lamb & Meat Goat Buck Sale. This is the culmination of a 77-day test program for rams and 70-day test program for bucks conducted at the Samuel E. Hayes Jr. Livestock Evaluation Center.

Programs like this performance sale are vital to improving the on-farm efficiency of our livestock species and the products we offer consumers. The animals you will bid on today are the result of the hard work put in to producing superior flocks and herds.

This sale could not be possible without the dedication and involvement of many hard-working contributors, including:

- Sheep and Goat Breeders of Pennsylvania
- Livestock Technical Committee
- Pennsylvania State University
- Sale Committee
- Auctioneer
- Ringmen

The members of the Pennsylvania Animal Health & Diagnostic Commission, Pennsylvania Sheep & Wool Growers Association, Pennsylvania Meat Goat Association and Keystone Meat Goat Association also help to make this sale a success.

It is our hope that these purchases will improve Pennsylvania's flocks and goat herds which keep Pennsylvania growing.

Sincerely,

A handwritten signature in cursive script that reads "George D. Greig".

George Greig
Secretary

Pennsylvania Department of Agriculture ANNUAL PERFORMANCE TEST

Special Representatives

Honorable George Greig, Secretary of Agriculture

Dr. Craig Shultz, Director, BAH&DS, Pennsylvania Department of Agriculture

Dr. Bruce McPheron, Dean, Penn State College of Agricultural Sciences

Dr. Terry Etherton, Head, Department of Dairy & Animal Science (PSU)

Dr. Lester Griel, VMD, Veterinarian (PSU)

Joanne Evans, President, PA Sheep & Wool Growers Association

2011 Ram Sale Committee

Ron Miller.....Bernville, Berks Co.
Dr. Lester Griel.....State College, Centre Co.
William MacCauley..... Atglen, Chester Co.
John Stewart.....Hookstown, Beaver Co.
Laurie Hubbard.....Bellefonte, Centre Co.
Mark Nestleroth.....Manheim, Lancaster Co.
Fred Hemmerly.....Laceyville, Wyoming Co.

2011 Goat Sale Committee

Brian Gower.....Selinsgrove, Snyder Co.
Sherrie Losch..... Port Royal, Juniata Co.
Keith Wadel.....Concord, Franklin Co.
Nathan Shanaman...Annville, Lebanon Co.

- 1 p.m. Performance Tested Buck Sale
Invitational Doe Sale
Performance Tested Ram Sale
Invitational Ewe Sale

Ram and Goat Sale Order

Bucks will sell in the following order: Senior Full Blood Boer, Junior Full Blood Boer, Senior Percentage Boer and Junior Percentage Boer. Sale order will be by index. Bucks are cataloged in their order of sale.

Does are cataloged in their order of sale.

Rams will sell in the following Order: Texel, Suffolk, Dorset, Dorper, White Dorper, Shropshire, Merino. Sale order within breeds or breed groups will be by Index. All rams are cataloged in their order of sale.

Ewes will sell in the following order: Dorsets, Suffolks, Others. Ewes are cataloged in their order of sale.

Suggested Care and Management

1. These rams and bucks are well developed and properly cared for, should adequately cover your females.
2. Ram lambs and young bucks should not be expected to breed more than 25 females the first year and as they are still growing, should receive grain as well as grass or quality hay. **DO NOT OVERWORK RAM LAMBS OR YOUNG BUCKS.**
3. Sometimes young rams or bucks will not breed immediately when placed with females for the first time. This problem should correct itself if the ram or buck is left undisturbed with females for two or three weeks.
4. Unfamiliar rams or bucks will fight when first introduced. If rams or bucks must be housed in the same pen, ensure that it is small enough that the animals can't gain enough momentum to hurt each other. Otherwise, placement in adjacent pens for several days before group housing should relieve these problems.
5. Avoid losing a lamb or kid crop by checking often to see if the ewes or does are settling.
6. Keep the new ram or buck around the barn or in a small lot for at least a week upon arrival at your facility. This will allow him rest from the trip and to become accustomed to his new surroundings.

General Information

1. MANAGEMENT OF THE RAMS AND BUCKS

Participating rams have completed an official 77-day performance test and the Boer bucks have completed an official 70-day performance test at the Livestock Evaluation Center on July 5, 2011. Prior to the start of both tests, the rams and bucks were allowed a 14-day (rams) and 21-day (bucks) adjustment period during which they were wormed, introduced to our ration and prepared to begin the test.

Throughout the performance tests, the rams were self-fed a textured feed consisting of 900 lb. oats, 550 lb. cracked corn, 500 lb. protein pellet and 50lb. molasses. All essential vitamins, minerals, salt, deccox (14g/ton) and ammonium chloride (13 lbs./ton) were added to the pellet.

The bucks were self-fed a pelleted ration consisting of 740 lb. cracked corn, 600 lb. wheat midds, 231 lb. soy hulls, 175 lb. soybean meal, 125 lb. distillers grains, Deccox (14g/ton), ammonium chloride (13 lbs./ton), vitamins and minerals. Rams and bucks received a small amount of grass hay.

2. PERFORMANCE RECORDS

Individual performance records exist for each ram and buck cataloged. These records include:

- A. Average Daily Gain – weight gained over course of test divided by days on test.
- B. Weight Per Day of Age - average weight gain per day since birth.
- C. Loin Area - ultrasonically scanned between the last two ribs, then adjusted based on average weight within breed.
- D. Fat - measured ultrasonically, and to some degree indicates composition of gain.
- E. Type - all rams scored 12 or higher at delivery time
- F. Ratios - indicate the percent above or below average a ram or buck is within his own breed group for a particular trait. A ratio of 100 is average.

3. INDEX

Ram Index = (.35 x average daily gain ratio) + (.35 x final weight per day of age ratio) + (.15 x adjusted fat thickness value) + (.15 x adjusted loin muscle area value)

Buck Index = (.40 x average daily gain ratio) + (.20 x final weight per day of age ratio) + (.20 x loin muscle area value adjusted by test goat's breed avg. metabolic weight) + (.20 x hind leg circumference measurement adjusted by test goat's breed avg. metabolic weight)

The ram or buck index divided by the average animal index within a breed provides the INDEX RATIO.

4. HEALTH

Participating rams and bucks are in perfect health and can go anywhere. All rams and bucks have been examined for reproductive soundness, and all rams have been gene tested for the scrapie resistance gene. Some rams have been tested for the spider syndrome. All senior rams and senior goats have been semen collected and have passed minimum standards required by the American Society of Theriogenology.

5. NOTE

The rams and bucks have been evaluated for performance, but potential buyers are responsible for evaluation of type, soundness and breed character. All rams and bucks sell as is.

6. NOTE

Kid Goats born from percentage boer parents may not be eligible for registry in certain Boer goat association. Buyers interested in registering percentage Boer goats should contact their breed registry.

Health Procedure Summary

Meat Goats on admission to center

Vitamin E and Selenium by injection
Contagious Ecthyma (Soremouth) exposure
Clostridium CD/Tetanus - 2nd dose given in May
Nufloor® : metaphylaxis (Prevention) for pneumonia
Wormed with fenbendazole (Panacur®) in May.
Fecal exams on group in May and July were negative

Rams on admission to center

Vitamin E and Selenium by injection
Contagious Ecthyma (Soremouth) exposure
Clostridium CD/Tetanus – 2nd dose given in May
Rabics (Imrab®)
Wormed with fenbendazole (Panacur®) in May- Fecal exams on group in May and July were negative

End of test

Physical Exam for breeding soundness
Tuberculosis and Brucellosis test will be
30 days of sale
All sale animals booster dose of
CD/Tetanus
Semen evaluation on fall born goats

End of test

Physical Exam for breeding soundness
All sale animals booster dose of CD/Tetanus
Semen evaluation on fall born rams

Terms and Conditions of Sale

1. Terms of the sale are cash or check. Any owner of a ram or buck qualified for sale requesting that payment be made in actual cash rather than by check must first do so in writing to the Pennsylvania Department of Agriculture Livestock Evaluation Center prior to sale day. This condition will then be announced prior to the sale of that animal. All checks must be made payable to the "PSWGA Ram Testing Fund." No ram or buck may leave the premises until properly paid for.
2. Each ram or buck will be sold to the highest bidder.
3. The auctioneer will settle any disputes regarding bids that may arise. This decision will be final.
4. Certificates of registry will be furnished and transfers will be made by the sale Committee, at the seller's expense, to the purchaser within a reasonable time after the sale. Registration certificates for any progeny of these sires is dependent upon the breed association. (i.e. Kids from percentage Boer bucks may not have the ability to be registered within certain breed associations).
5. All rams and bucks are at the seller's risk until sold and will be the buyer's risk as soon as sold. However, if not convenient for the buyer to remove the ram or buck the afternoon of the sale, the ram or buck will be cared for up to a maximum of 72 hours after the sale at the buyer's risk. After 72 hours there will be a nominal fee.
6. Health certificates will be furnished by the Pennsylvania Department of Agriculture.
7. All rams and bucks are guaranteed breeders by the sellers, providing they are properly cared for and not exhibited on the show circuit prior to being used for breeding. Any ram or buck that settles 1/3 of the healthy females he services will be considered a breeder. In the event a ram or buck is thought to be a non-breeder by the buyer, he may be returned to the seller at the buyer's expense within six months of the sale date. In the case of a ram or buck claimed to be a non-breeder, the seller is entitled to the period of time, following return of the ram or buck, required to take him through the next regular breeding season, in which to demonstrate that the ram or buck is a breeder. If in that time the ram or buck proves a non-breeder, then refunding of the purchase price shall be considered full settlement. Other procedures for settlement may be taken if satisfactory to both the buyer and the seller.
8. The above guarantee and terms of the sale shall constitute a contract between the buyer and the seller for each ram or buck sold and shall be equally binding upon both. The Pennsylvania Department of Agriculture, Pennsylvania State University, Pennsylvania Sheep and Wool Growers Association, or any other person or organization connected with the management of the sale do not assume liability, legal or otherwise, except to help make any needed adjustments.
9. All persons attending the sale do so at their own risk. Neither the Pennsylvania Department of Agriculture, nor any other person or organization connected with the sale will assume liability, legal or otherwise, for the safety in the buildings, on the premises or behavior of the animals.

PA Sheep and Wool Growers Association

Since the organization of the Pennsylvania Sheep and Wool Growers Association more than 60 years ago, it has remained an organization of sheep producers working together for the betterment of the sheep and wool industry. The association has worked to increase the awareness about the many benefits of sheep, wool and all by-products. With a dozen local, county and regional member associations and organizations and nearly 130 members across the state, the organization plays a vital role in the success of this industry.

The programs and events provided and/or co-sponsored by the association, include the "Make It With Wool" contest, the State Lamb and Wool Queen's Program, Keystone Classic Junior Show, the state "Sheep to Shawl" competition, wool marketing, Shepherd's Symposium and Annual Meeting, this sale/field day and many others. These events provide numerous opportunities to showcase and celebrate the prosperity and potential of Pennsylvania's sheep and wool industry. Whether educating the public, encouraging youth or participating in the agricultural community, the PSWGA characterizes excellence and tradition within the sheep and wool industry. Meet the PA Lamb and Wool Queen and Court

The 2011 PA Lamb & Wool Queen Contest was held on Saturday, October 16th at the Samuel E. Hayes Jr. PA Livestock Evaluation Center, Pennsylvania Furnace, PA. There were four contestants from across the state vying for the title. Contestants were evaluated by a panel of judges on a written essay, personal interview, and their public speaking skills.

Kara Kingsley was chosen as the 2011 PA Lamb & Wool Queen. Kara is the 18 year old daughter of Liz Kingsley of Grove City, PA. She currently attends Grove City High School, with plans to attend college and major in Agriculture/Pre-Law to be an Agricultural Lawyer. Kara is active in Cheerleading, Basketball Statistician, Soccer, Student Council President, Project Peers, Nutrition Club, Youth Group, Leesburg Light House Dinner Theater, Christian Endeavor and the Church Mission Trip. She is part of the Mercer County Baby Beef and Lamb 4-H Club, where she raises 2 market lambs every year. Kara has had much success with her lambs, earning Grand Champion and Reserve Champion Market Lambs and Leadline awards, as well as participating in the 2009 National Junior Show. Kara is serving as 2010 Mercer County Lamb & Wool Queen.

Anna Stoner was selected as the 2011 PA Lamb & Wool Princess. She is the 16 year old daughter of David and Wendy Stoner of Gettysburg, PA, where she currently attends Biglerville High School and is planning to attend college to study elementary or art education. Anna is active in Student Council, Wellness Club, Drama Club, German Honor Society, Knitting Club, Girl Scouts, Class Officer, and 4-H. She shows Hampshire and Suffolk lambs as part of the Adams County Sheep Club and spins and knits wool in the Knitting and Fiber Club.

The PA Lamb & Wool Queen program is sponsored by the PA Sheep & Wool Growers Association. The PA Lamb & Wool Royal Court will be asked to attend several industry related events throughout their reign. If you are interested in having royalty attend an event, please contact Laurie Hubbard at 814-355-4215 to schedule. (L-R: 2011 PA Lamb & Wool Princess, Anna Stoner; well as participating in the 2009 National Junior Show. Kara is serving as the 2011 PA Lamb & Wool Queen, Kara Kingsley

Area Map

The Pennsylvania Department of Agriculture Samuel E. Hayes, Jr., Livestock Evaluation Center, is located at 1494 West Pine Grove Road, Pennsylvania Furnace, Pa. The building is on the left between Pine Grove Mills and the Ag Progress Days site approximately nine miles southwest of State College on PA Route 45.

Southeast - From Route 322

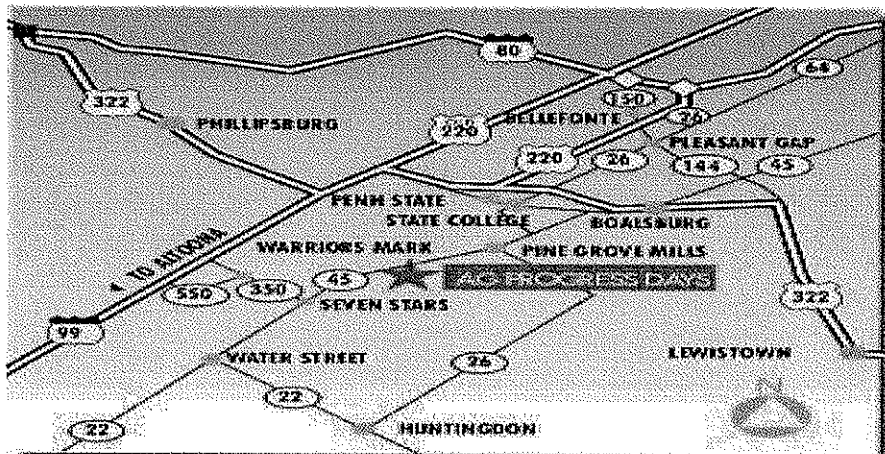

Take the Boalsburg/ Oak Hall exit to Route 45 west. Follow Route 45 west to town of Pine Grove Mills. Pass through blinking light and travel approximately 2 miles, the Livestock Evaluation Center will be on the left.

Northeast and Northwest - From I-80

Take the Route 220 west exit. Continue to Route 322 east. Travel 322 east two exits to the Boalsburg/ Oak Hall exit to Route 45 west. Follow Route 45 west to town of Pine Grove Mills. Pass through blinking light and travel approximately 2 miles, the Livestock Evaluation Center will be on the left.

Southwest -From I-99

Take the Tyrone/ Route 550 exit. Travel approximately 1 mile and turn left onto Route 550 east. Travel Route 550 east to the town of Warriors Mark. At stop sign in Warriors Mark turn right onto Route 350 south. Follow Route 350 south to Route 45. Turn left onto Route 45 east. Travel Route 45 east approximately 6 miles, passing the Ag Progress Days site. The Livestock Evaluation Center will be on the right.

Annual Ram Lamb & Meat Goat Buck Sale

Saturday, August 6, 2011
1 p.m. -- Sales Arena
Livestock Evaluation Center
1494 W. Pine Grove Rd.
Penna. Furnace, PA 16895
